Simple steps to follow for snake bites

As snakes are more active over summer, it is important to know what to do if your greyhound is bitten. Keeping your greyhound calm and seeking veterinary advice immediately are crucial, but here are some other basic first aid steps that you can take:

- DON'T wash around the wound ❌
- DO apply a firm bandage ✅
- DO remove your greyhound's collar ✅
- DO reduce your greyhound's movement ✅

Christmas list sorted?

Now is the time to ensure that everything is order so your greyhounds are ready to race over the festive period!

While racing will continue as normal, the GWIC office will be closed from noon on Friday, 20 December 2024 to 8.30am Thursday, 2 January 2025.

To ensure your transactions are processed in time, we request you submit them to us using eTrac by COB on 18 December.

Proper planning for festive weather

With severe wet weather, thunderstorms and damaging winds predicted to impact NSW over the Christmas-New Year period, we suggest you review your emergency evacuation plan.

Keep up-to-date with warnings

Have enough food/water for your greyhounds

Keep emergency numbers handy

Know the safest travel route

We have got it figured out!

Code of Practice

Part 4: Greyhound breeding

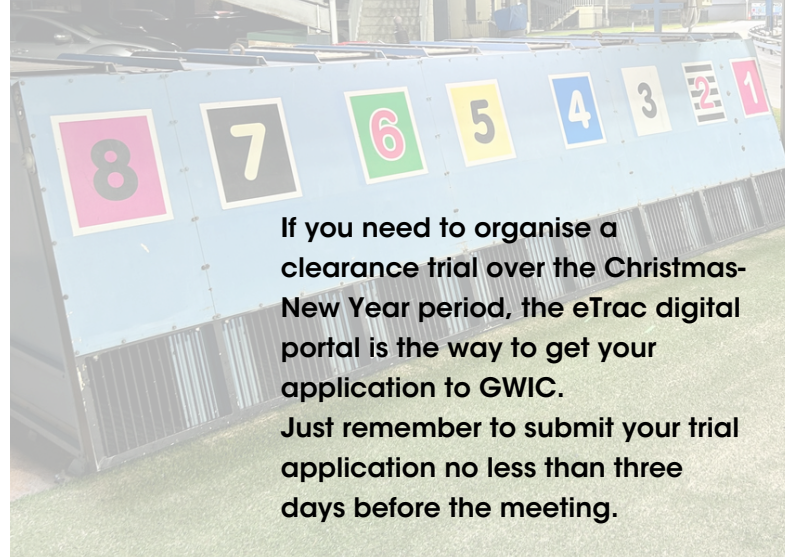

A whelping box or other suitable whelping area must be available to a whelping greyhound at least seven days before her estimated whelping date.

The whelping box or other suitable area must be clean, safe, quiet and separated from other greyhounds.
