

Breeding Services Data

Report at 15 August 2019

Breeding services are determined to be NSW services when they meet the following criteria:

- location of sire at time of service or collection, and/or
- location of dam, and/or
- location of owner

The data below is provided for information purposes only. It reflects notifications of services for the period 1 July to 15 August 2019 for services not previously reported.
