

# Breeding Services Data

## Report at 15 January 2020

Breeding services are determined to be NSW services when they meet the following criteria:

- location of sire at time of service or collection, and/or
- location of dam, and/or
- location of owner

The data below is provided for information purposes only. It reflects notifications of services received in the period 16 December 2019 to 15 January 2020 for services not previously reported.
