Why did you decide to get involved in greyhound racing?

I was born into it and I love the dogs.

What has been your biggest achievement in greyhound racing so far?

I handled my first winner at the gardens with my mum's bitch Sweet Creature. And also being the youngest staff member to work at a track, thanks to Rex for having the confidence in me to let me join the team at Wauchope.

What do you love most about greyhound racing?

The thing I love most about greyhound racing is my dogs and helping people with their dogs as well.
